Introducing Forex E-micro Futures.

1/10th the standard contract size* – the perfect size for you.

• Six currency pairs
• Largest regulated Forex market
• Quoted in Interbank terms
• Secure central clearing

If you would like to trade in a regulated and secure Forex market, get to know Forex E-micro futures, traded at CME. 1/10th the size of our standard Forex futures. 1/10th the risk exposure. All of the access to our highly liquid markets.

Deep Liquidity
With more than $100 billion in daily liquidity, CME Forex is the largest regulated Forex marketplace in the world. The CME Forex product suite consists of 49 futures and 32 options contracts based on 20 currencies.

Security
CME Group provides security through centralized clearing, guaranteed counterparty credit and segregation of customer funds.

Transparency and Anonymity
Everyone who trades at CME Group – from the largest financial institutions to active individual traders – has complete and equal access to the book of prices and trading opportunities.

Available Forex E-micro futures contracts:
EUR/USD, USD/JPY, GBP/USD, USD/CAD, AUD/USD, USD/CHF

* Roughly 1/10th the standard contract size with a notional value range of $6,000 to $16,000.
